

## Better Than Ted

When it comes down to it I'm an ordinary guy  
Like everyone else I'm scraping by  
And I can't figure out how the rumor was spread  
Apparently I'm better than Ted

Sometimes I can be a little obsessive,  
Impressive, possessive, and even excessive  
And I don't want to get a really big head,  
Apparently I'm better than Ted

### CHORUS:

I'm better than Ted            Yes, that's what I said  
I might be better off dead - I'm better than Ted

I can be stupid in love and money  
I crack myself up, but it's not that funny  
And I heard some folks 'round town are seeing red  
'cuz apparently I'm better than Ted

I'm better than Ted    Might be better unsaid  
It could be all in my head    But, I'm better than Ted

You can't help being who you are  
Just a random dude or superstar  
Sourdough or whole wheat bread  
Apparently I'm better than Ted

I'm better than Ted    Might be better unsaid  
It could be all in my head    But, I'm better than Ted
